ABOUT THIS PROPERTY

Set within the Victorian High Plains, Burramys is a place to be immersed in nature, breathe in the fresh mountain air and enjoy outdoor adventures by day and come together with friends and family by night.

In the Victorian Alps, days are spent walking, riding, skiing, snowboarding or exploring the history and heritage of the Victorian Alps. At night we have created a tranquil retreat that draws upon the history of the high plains cattlemens huts. It is both raw and refined and captures the essence of the unique Australian alpine environment.

Everything provided at Burramys has been considered. We have distilled what is needed to the best of the essentials with the aim of allowing you to focus on what is important. Good Food, Good Accommodation, Family, Friends and Laughter.
