ABOUT THIS PROPERTY

Recently renovated and well equipped, this single level chalet has great views, warm & inviting decor, a north facing deck, central heating and lots of space. The entry foyer has a drying room, and leads into a hallway where there is a separate laundry, a separate toilet and the main bathroom. A doorway off the hall leads into the living area and the bedrooms. The large kitchen is well equipped, including a pod coffee machine (takes Aldi pods) and has plenty of bench space.

The dining area looks onto the deck and the comfortable living area looks onto the reserve at the back of the chalet. There are two sets of bunks in the bunkroom and a queen bed in the second bedroom. The large master bedroom has a great window seat, a queen bed and an ensuite.

Great for families with small children - no stairs to climb and a gate on the front access.
